

OFFICIAL ENERGY REDUCTION COMMITMENT CERTIFICATE

This is to instruct all staff of ACME Voyages Pvt Ltd to actively participate in energy-saving initiatives and implement best practices to achieve a minimum 50% reduction in energy consumption during the calendar year 2025, starting from 01 April 2025.

As part of this commitment, the employee agrees to:

- ✓ Turn off all lights during lunch breaks.
- ✓ Turn off all lights and non-essential electrical equipment after office hours.
- ✓ Use only LED lights and 5-star rated electrical products to minimize energy consumption.

This certificate is issued under the authority of the management of ACME Voyages Pvt Ltd, in recognition of the importance of environmental responsibility and sustainable operations.

We appreciate the dedication and effort towards reducing the company's carbon footprint and fostering a culture of energy efficiency.
